Spending Plans

Our school vision describes our approach to supporting children and this is reflected in the spending of pupil premium funding. Jesus takes responsibility for being a 'change maker'. The parable of the Sower emphasises the individual choices people have - 'may those with ears listen'. We believe that given the right support, children will feel empowered to strive to be the best they can be and work hard to make our world a better place. Some children require additional support in class to make sure they reach their potential academically whilst other children need motivating with improved opportunities in the arts, sport. Improved access to cultural enrichment can be a powerful motivator.

Our provision exceeds the income from the pupil premium grant. Provision benefits other children in the school
