GREAT ATHLETES EVENT

As a reminder, our Great Athletes event is taking place next week

Wednesday 19th November. Victoria Ohuruogo will be visiting the school this day and children will take part in their sponsored fitness circuit. It's a great way to get the children excited about sport and getting moving! **Please send children to school in PE kits on this day.** The money raised from sponsorship will go towards new sports equipment for the school. Please return completed sponsorship forms and money to the office by **Wednesday 19th November.**

SCHOOL COUNCIL MEETING

Today, our School Council met with Katy, our Terapia Therapy Lead, and talked about the importance of play. The children discussed the importance of playfulness at school, including movement, music and hands on learning, as well as how wet play times can include more opportunity for movement during play. At our next Stop and Chat on **Friday 28th November** Katy will be talking to parents about the importance of play for children. **Please join in the dining hall after drop off on Friday 28th November.**

AS IF BY MAGIC

Years 3, 4, 5 and 6 were joined by Dr Szydlo this week for a science and magic show!

'It looked like magic but it was actually science! Dr Szydlo told us lots of experiments and also a lot of things from when he was a child. He showed us this magical water which magicians use! And he made fire!' **By Jess and Kay – Year 4**

GIRLS FOOTBALL MATCHES

'Liz, Hanah, Maddie, Bella, Vienna, Bethany, Penny, Matilda and I went to a tournament on the 13th November. We played 5 matches and it was pretty intense but we played our hearts out and we managed to get into the quarter finals! We played really well.' **Sienna – Year 5**

'On Thursday 13th November, the girls football team got the opportunity to play at Compton Power League tournament. We played our hearts out for 3 hours straight in the hot sun. We were all hot and tired, but we were able to push through and managed to get into the quarter finals. We had fun playing as a team.' **Matilda – Year 5**

'On Wednesday afternoon, the girls had a tough football match, and we tried so hard. When we got there we did some warm ups and then we got in our positions and started to play. When the first half ended we lost 3-0 but on the second half we made a come back and we tied 3-3, so we had to do penalties. Hanah, Liz, Vienna, Maddie and Sienna were shooting and Penny was in goal, who saved all of the goals except one which was still ok because we were in the lead by 1-0. Liz, Sienna, Maddie and Vienna scored amazing goals. In the end we won and were really happy and proud of ourselves and everyone else but we couldn't have done it without our amazing football coach Mr Olver and the person who always drives the van, Antony.' **By Penny and Hanah – Year 6**

PIZZA MAKING

This week we had a visit from a chef from ISS, who provide our school lunches, who came in to make pizzas with our Year 3 and Year 4 classes. The children had a brilliant time rolling out the dough and adding all their favourite toppings, and the pizzas looked, smelled, and we hope tasted, delicious!

ANTI-BULLYING WEEK AND ODD SOCKS DAY

This week in class children have been focusing on anti-bullying week, with opportunities to talk about anti-bullying and working on their own projects, such as designing posters which address anti-bullying. In class assemblies, the children talked about anti-bullying and kindness and Mrs Roth also held an assembly covering the topic on Tuesday. On Friday, children came to school in odd socks, to raise awareness on the subject and get the children talking about it!

BUCKETS OF KINDNESS

Reception Reception Class will start their buckets of kindness in the Spring Term

Year 1 Nikki played with me, From Cleopatra

Year 2 Dear Laisa, Get well soon, love you to the moon and back. You fill my bucket when you are at school, Love Malik

Year 3 To Gunnar, Thank you for being the best brother in the world, From Leif

Year 4 Dear Zion, Thank you for being a great table partner, Lots of Love, Nandni

Year 5 Dear Pola, Dana and Willow, Thank you for always being there for me, playing with me and making me happy..

Year 6 Dear Penny, Thank you for being a kind and helpful partner. From...?

This Thursday, 13th November was World Kindness Day. Did you know that receiving, giving and witnessing acts of kindness releases oxytocin? Oxytocin is also known as the "love hormone" and connects us as people and a community. Not only that but acts of kindness create a ripple effect, which means that one act of kindness will actually have a much bigger impact than we could ever imagine.

It is also important to be kind to ourselves. I have noticed that, as parents and carers, this can be particularly difficult. I would like to encourage you this week to find moments to be kind to yourself (i.e. sit down with a cup of tea, celebrate the wins you have had during the day, or give yourself an early night if you are particularly tired).

Free Child Car Seat Checks

Friday 21st November, 10am – 3pm

**Asda Colindale car park
off Capitol Way, Edgware Rd, London NW9 0AS**

Barnet Council is offering free child car seat safety checks to ensure children are travelling safely. A trained expert from Good Egg Safety will be available to **inspect seats, fix errors and provide advice**, no booking required.

A check can be made on your child car seat even if your child isn't with you — but if they are, we can also check they are seated correctly and safely.

Last year, **92% of seats checked in Barnet had errors**, many serious enough to endanger children in the event of a collision. Unfortunately, errors on seats are very easily made, but the great news is that they tend to be easy to fix.

Don't miss this opportunity to get peace of mind and help make Barnet's roads safer for everyone.
