Friday 5th September 2025

CELEBRATION AWARDS
None this week due to
project week assembly

WELCOME BACK TO SCHOOL

It was a pleasure to welcome our children in Reception to Year 6 back to school this week. We hope you all had a restful break and are ready for the new term! The children have settled back into school and enjoyed an exciting dinosaur project week, which you can read more about in the newsletter.

A special welcome to our new Reception children this week. Our wonderful Early Years team marked the start of this important milestone with a gift for each parent and a poem, which you can read below:

*Your child is very special,
today they join our school,
To begin an exciting journey,
And to learn things that are cool.
But we know it will be tearful,
As you let your little one go,
Please trust us to look after them,
We'll help them play and grow.
So dry your tears and make a drink,
Enjoy a little treat.
Because in just an hour or two,
You'll be rushed back off your feet!*

If your child is in Reception class and you didn't receive your gift, please let the Reception team know.

W/C MONDAY 8th September

Mon 8th All clubs commence this week
except netball
Nursery re-opens today

SCHOOL CLUBS

All school clubs, apart from netball, will commence next week. If your child is attending a club, please supply them with a small healthy snack. There are still spaces in many of the clubs, so please visit the website or speak to the office to sign up. A club timetable can be found [here](#).

PUPIL PREMIUM

Pupil Premium is a crucial part of school funding. Your child may be eligible for Pupil Premium if you receive Universal Credit, Jobseeker's Allowance or Pension Credit. Please speak to the office for a form if you think you may be eligible.

PE KITS AND WELLIES IN SCHOOL

Please ensure your child has their full PE kit in school as PE lessons begin next week. If your child does not have their kit, they will not be able to participate. Please also make sure your child has a pair of wellies so they can enjoy our spinney during the wet weather!

VOLUNTEERING OPPORTUNITIES

Would you like to help the school through volunteering? We currently have volunteering opportunities in the office. If you are able to spare any time, please speak to the office.

WRAPAROUND CHILDCARE

A reminder our After School Club runs every day from 3:30pm-6:00pm to support with wraparound care. Please note, children **must** be booked on Parent Pay to attend After School Club. Any child who has not been collected from school will be taken into After School Club and a charge will be added to your Parent Pay account. A reminder, school gates open at 3:25pm to collect your children at 3:30pm. Breakfast club runs from 7:45am. It costs £4 and children are supplied with breakfast. Booking is not required.

PROJECT DINO

The school term has kicked off with an exciting week as the children have enjoyed Project Dino! Children have been learning about fossils, evolution and ecosystems, as well as how prehistoric species lived. We have seen lots of brilliant posters, drawings, reports and models of dinosaurs this week, and the children have really enjoyed engaging with this project. We've also had some special visits from Madame T-Rex, as well as a fantastic assembly from Jackie and Robyn (parents of Leif and Gunnar) all about fossils and dinosaur!

A VISIT FROM MADAME T-REX

Madame T-Rex caused a lot of excitement this week as she visited all the classrooms!

YEAR TWO PLAY-DOH DINOSAURS

Year Two made some wonderful Play-Doh dinosaurs this week. It was amazing to see their creativity and the range of ways in which they chose to create their dinosaurs.

DINOSAUR ASSEMBLY

Dino Week ended with a brilliant assembly; we are so grateful to Jackie and Robyn for coming in to show the children some amazing fossils! Each child has gone home with a gift, kindly donated by ASSA. Children in Years 3 to 6 have received a Geode. There are some instructions pictured (on the right) on how to crack your Geode. Children in Reception to Year 2 have received a shark tooth, which is even older than the dinosaurs, from the phosphate mines of the Eocene Age from Khouribga, Morocco!

DINOSAUR ASSEMBLY

HAPPY BIRTHDAY JESSICA!

Happy Birthday to Jessica in Year 3 who donated Diary of a Wimpy Kid: Hard Luck to the school library. Thank you for your donation, Jessica, and we hope you had a wonderful birthday!
