SCHOOL GARDEN

Our Year 1 children have spent time in our garden at the front of school over the last few weeks, getting it ready for summer. They have been planting, watering and weeding to help our garden thrive! They have also shown great teamwork when some heavy lifting has been required. Well done Year 1!

YEAR 5 TRIP TO NATIONAL GALLERY

On Tuesday 5th May, Year 5 went on a school trip to the National Gallery. We went there by tube and when we arrived, we were so excited. We put away our things, then started discussing what we would see there.

We got into partners, one person closed their eyes and the other guided the person into a grey room with lots of paintings by famous people but there was one painting we needed to describe. It was a sacred painting with Hebrew writing on it. After that, the person opened their eyes and looked at the painting. Then we did some art and then we hurried to lunch. **By Willow and Matilda**

YEAR 4 VIKING DAY

On Thursday, the school was invaded as Year 4 enjoyed their Viking Day! There were some fantastic costumes on show, and the children enjoyed spending the day learning about Vikings, where they lived and what their lives were like. The class made Viking shields as well as some amazing Viking longships! Well done Year 4!

A LITTLE REFLECTION – BY JULIANA LOBO

It was at All Saints' that both of my children began their journey when we moved from Brazil to London in 2018. We arrived in a new country carrying excitement, fear, hope and uncertainty all at once. And somehow, within these school walls, we found not only a community, but the family that God chose for us here.

What I love most is that I never felt I had to change who I was to belong; I was accepted, respected and loved exactly as I am. My culture was welcomed, my voice was heard, and my children were embraced with kindness from the very beginning.

I integrated.

I contributed.

I built lifelong bonds.

And the most beautiful part of all has been watching my children become English in the truest sense, not because of a passport, but because they learned respect, kindness, diversity and community.

To all the new parents joining this wonderful school family, my advice is: embrace it fully.

Be yourselves.

Share your culture proudly.

Talk to people.

Make friends.

Get involved.

Show up.

You are not just passing through this school: you have the power to shape it too. You can make a difference here.

You can touch people's lives.

You can leave your legacy.

This school has a beautiful way of reminding us that diversity is not something to tolerate... it is something to celebrate. You may arrive here feeling far from home, but if you allow yourself to connect, one day you'll realise you created a new home too.

And honestly, now that my daughter is getting closer to leaving All Saints', I realise I am not ready to say goodbye to this community. I'm not ready to leave behind the people, the memories, the warmth and the sense of belonging we found here. Because what started as a school became part of our story, part of our family and part of our home in this country.

Some of the most important chapters of our lives were written here.

Some of the people we love most were found here.

Some of the memories I will treasure forever were created here.

And my greatest hope is that the friendships and connections we built at All Saints' continue far beyond the school gates, because what we found here was truly special.

It changed us.

It shaped us.

And I will carry it with me forever.

With love and gratitude.

Juliana Lobo – Mum of Liz (Year 6)

BALLET PERFORMANCE AT ARTS DEPOT

On Thursday the 7th of May, 8 children from both Year 5 and 6 went to watch a ballet performance at the Arts Depot. The costumes of the ballerinas were beautiful; they had lots of colour. There were 3 different performances. For the first performance the theme was Swan Lake and the two main ballerinas of that performance were a male and a female while the female was dressed like a swan with lots of beautiful feathers. For the second performance, the theme was Freestyle modern dance and the ballerinas were all wearing the same thing; they danced with lots of energy. The third performance had a Vaudeville cabaret music and the ballerinas were wearing blue, red and white outfits while the main female was wearing a short white dress with all the colours and a silver crown and the male was wearing all white with a red hat. The performance was beautiful. We all enjoyed it and we all had the best time. **By Liz – Year 6**

SATS

Our year 6 children are preparing for their SATs next week. Whilst each child will feel differently, some may be experiencing some nerves when approaching these assessments. We have been supporting the children, looking at how anxiety is a normal biological response to life's challenges, just as it is normal for adults to sometimes feel anxious in difficult situations too. In class, we have practiced some simple breathing exercises that can help us to relax and feel calmer. The children are also being reminded that tests do not define their worth or abilities. We can further support the children by listening to and validating any worries that they may have, and providing structure by keeping healthy routines for sleep, meals and play.

OUR PRAYER FOR THIS WEEK

This week in Collective Worship we talked about the Christian value of Hope, and people who leave a lasting legacy. We discussed David Attenborough who is celebrating his 100th birthday, and how his work has inspired millions of people to learn more about the world and take care of it. For this reason, people are celebrating his life and the difference he has made. The Bible teaches that humanity has been given a special responsibility to protect and care for the world around us. Even the smallest acts of kindness towards our environment can make a big difference.

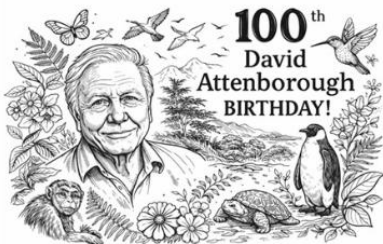

Our prayer for the week is below:

Thank you for your gift of the world.

Help us to be good caretakers of your creation.

Please teach us that small acts of kindness can help keep our planet healthy and beautiful.

Amen

📖 What you do makes a difference, and you have to decide what kind of difference you want to make.📖

ALL SAINTS' PRE-LOVED UNIFORM

FUNDRAISING INITIATIVE

We are delighted to launch a streamlined way of how pre-loved uniform is sold in a way that is easier for everyone and raise funds for the school.

We will be using **ClearOut.app** – an independent web app designed to upgrade our local WhatsApp buy, sell, and give-away experience.

BROWSE OUR SHOP

All pre-loved uniform currently available is listed in our shop on ClearOut.app

<https://bit.ly/clearout-all-saints-preloved>

HOW IT WORKS – BUYING PRE-LOVED UNIFORM

SELL & DONATE – IT'S EASY!

You will also be able to list your own pre-loved uniform items on www.ClearOut.app and continue sharing them directly to our year group WhatsApp groups. This way we will be able to take ownership of circulating the pre-loved uniforms without over burdening the school.

We are also happy to help with listing or taking ownership of this but it would help us massively if you listed your own.

MORE THAN JUST UNIFORM!

An added benefit is that ClearOut.app is not restricted to pre-loved uniform – we could also list other items we want to sell and donate a share of the proceeds to the school...

Please take a look at ClearOut.app when browsing for pre-loved uniforms!
