HOUSE POINTS UPDATE

Every week in our celebration assembly we tally up house points to see which house is in the lead! The years total so far are:

St Andrew's House: 9301 Points
St David's House: 8074 Points
St Patrick's House: 8552 Points
St George's House: 9469 Points

FAN DONATION

On occasion, we are truly astounded by the generosity of our parents, and this week was such an occasion. Julie and Edward, parents of Daisy in Year 3, donated a fan for every classroom in the school, to help us in the hot weather. We are so grateful for your kindness and thinking of our school community!

ICE LOLLY DONATIONS

We have been lucky enough this week to have more generosity from parents who have donated ice lollies to school. A huge thank you to mum of Kiyomi in Year 2, who bought ice creams for the whole class, mum of Rosa in Year 2 and Nicolas in year 5 and also to ASSA who donated ice pops for the school. Your kindness to our children is appreciated by all of us!

CLASS PHOTOGRAPHS

The school photographer was in school this week taking our class photos. The proofs will go home in your children's book bags next week and you will be able to place your orders online.

ABSENCE REPORTING

As a reminder, if your child is absent from school, you must inform the office by e-mail, phone or text message. It is important that we are made aware of absences for all children, to ensure their safety and well-being. If you have any questions, please speak to the office.

THE BIG FUTURE SURVEY

The Children's Commissioner for England, Dame Rachel de Souza, has launched The Big Future Survey, for children to have their say on what's it like to be a child or young person in England today. Results from the survey will be given to the government to help them make life better for children. If you would like to add your voice to this survey, you can complete it using this link: https://www.childrenscommissioner.gov.uk/the-big-future/

FRIDAY FUN IN THE SUN!

We made it through the hottest week of the year, and ended on a high with plenty of sprinkler fun in the playground. The children all cooled off under the water. They loved it! Take a look at page 2 to see more photos of the children keeping cool this week!

KEEPING COOL AT SCHOOL

It's been a scorcher this week, and we have been working hard to keep the children cool and relaxed in school. We wanted to say a big thank you to our staff at All Saints' who have worked hard throughout the heat to keep your children as cool as possible, whether that's been through water play, ice lollies, lessons in the spinney, lunch outside, or quite time in the church, we are so grateful for their hard work.

Also, a big thank you to Rebekah, Mongiben and Magdalena in the kitchen who have worked through all the heat to keep our children well fed! We are in total admiration of you this week. Well done to the children too, who have coped well in the heat and change of schedules. We are looking forward to the cooler weather returning next week!

ASSA SUMMER FAIR

Our Summer Fair enjoyed beautiful weather last Saturday and it was fantastic to see our community come together and enjoy the day. We enjoyed delicious food, plenty of stalls and games, and the very popular 'Soak the Teacher'! We want to say a huge thank you to our dedicated ASSA team who put the Summer Fair on, and the group of wonderful volunteers who help at every event, and are always happy to put their hand to anything. We couldn't do it without you! The fair raised a total of £1036.56 which will go towards our school fundraising.

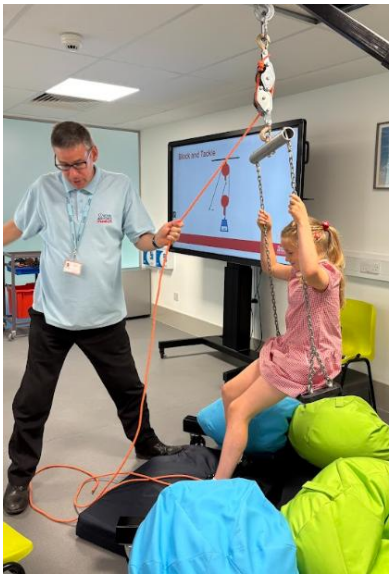

YEAR 4 TRIP TO THE RAF MUSEUM

'On the 25th June 2026, Year 4 went on a trip to the Air Force Museum. There were bombs, helicopters and mostly planes. After that, we went to a workshop and a man taught us about levers and pullies. At the end, we went for lunch and ate for 10 minutes, then we went through Hanger 1 and there was a shop. After that we went outside and went back to school.' **By Nicola**

'Year 4 went to the RAF museum, it was amazing! On the minibus everyone was so excited and also people couldn't stop talking about it. When we reached the museum, we put our bags in a cage, it was better in there than outside. We saw different types of planes from the past. Next we went to a workshop, we learnt about machines, levers and pullies. It was so much. Then we ate our lunch. Finally, we went home'. **By Niha**

'First, we went to see giant and awesome planes hanging from the ceiling. Then we also went to the workshop and Layla, Mia Z and Jason got to use things like pullies and see-saws. There was air conditioning.' **by Chiara**

YEAR 4 POETRY WORKSHOP

Our Year 4 class have been working hard over the last few weeks on a poetry workshop, alongside Age UK, visiting Oakleigh Park Care Home to work on poems with the residents. There has been some beautiful poetry, and the children have worked so confidently with the care home residents at producing their poems. We are really proud of their hard work within the community.

terapia CENTRE

We are experiencing a record-breaking heatwave this week! Although some may be enjoying the sun, it can be physically very uncomfortable and affect us emotionally too. Hot weather leads to tiredness, irritability, difficulty sleeping and can even increase anxiety and low mood. Children may become more easily frustrated or withdrawn when feeling overheated or dehydrated.

As temperatures rise the body releases more cortisol, a stress hormone which heightens feelings of agitation and affects our mood. At the same time the parasympathetic nervous system which is responsible for calmness and regulation is suppressed, leaving us more vulnerable to stress.

There are of course some practical strategies we can use to support ourselves and our children. Staying hydrated is essential, as is trying to keep our environment cool as possible (although this is clearly a challenge without air-conditioning). Also planning around the sun, doing essential tasks in the cooler part of the day. It is also important to try and reduce self-expectation and to give ourselves permission to slow down. Looking after yourself isn't a luxury - it's essential. Listen to your body and do things at the right pace for you.

OUR PRAYER FOR THIS WEEK

This week's Collective Worship focused on the topic 'How Does Every Person Count' inspired by India starting one of the world's biggest counting projects, its National Census. More than 1.4 billion people are expected to complete this to help the country plan for things like hospitals, water and electricity and roads and transport. We talked about how every person matters, and that the organization of our communities makes us stronger and build a safe, fair and welcoming environment. Our prayer for this week:

Dear God,
Thank you for showing us that everyone matters,
Help us to look after one another in our families, our schools and our communities.
Remind us every day that we are much stronger when we work together.
Please help us build a safe, fair and welcoming place,
Where every single person feels happy, included, and valued.
Amen
