REMINDER

School is now closed for the Summer Holidays. Tuesday 1st and Wednesday 2nd September are Inset Days. We return to school on Thursday 3rd September.

HAPPY END OF TERM

Well done to everyone for another fantastic year at All Saints'! It has been a pleasure watching the children grow and learn this year, seeing all their progress both in the classroom and beyond! We hope everyone has a fun-filled and refreshing summer and we will see you all back in September!

TRAVEL ROAD SAFETY WORKSHOP

Barnet Road Safety Team will be running a workshop over the summer holidays for children in Year 5 and 6 who are already travelling independently or preparing to do so next year. The workshop is free and interactive and is for parents and children to attend together. It will focus on topics such as distractions, driver behaviour, risk awareness and real life situations. The workshops are on Monday 24th August either 10am-12pm or 2pm to 4pm at Barnet Council Offices in Colindale. If you would like to attend you can register at road.safety@barnet.gov.uk. Booking is essential and places are limited.

RAISING MONEY FOR BIKE STORAGE

We're raising money for a **new bicycle and scooter rack** for the front garden. A secure rack will help keep bikes and scooters safe, encourage more children to travel actively to school, and make our entrance tidier and more welcoming.

Every donation, no matter how small, will help us get closer to our goal. We'd be so grateful if you could **donate and share this fundraiser** with your friends and family. Please donate through our [Just Giving page](#). Any donation big or small will help. Thank you so much for your support!

YEAR 6 LEAVERS SERVICE

We said goodbye to our Year 6 class with an emotional leavers service at All Saints' Church on Wednesday. There were uplifting speeches and plenty of pictures and videos of all the happy memories of Pine class over the years. We wish Year 6 all the best as they move on to the next step in their journey. They have grown, made memories, become resilient and determined, and we know they will succeed as they continue to build on everything they have learnt at All Saints'. Good luck Year 6!

YEAR 4 ART AND DESIGN

Over the last few weeks, Year 4 have been working hard in their art and design lesson, using clay and paint to create Egyptian Sarcophagi. They have created some amazing work and we were so impressed by the effort they put in as well as the amazing detail the class produced. Each sarcophagus is a piece of art! We hope you enjoy seeing their creations in the pictures below.

- Year 6** To the whole class, We have gone a long way but I still can't say goodbye to you yet, we have gone too far. I will miss you when I leave. From Callum

OUR PRAYER FOR THIS WEEK

This week, the school went to church for our Year 6 Leavers Service, to celebrate and reflect on the Year 6 class and their journey through school. As they move on to the next step in their school life, we took the opportunity to wish them luck and pray for them in their future school life. Mrs McKelvey passed a lit candle along the line of all our Year 6 class symbolising their journey: *'Year 6 Pine Class have carried the responsibility of being our leading lights this year. As Jesus lights our way to follow God's word, Pine Class pass on their responsibility to our new Year 6 children: Hawthorn Class.'*

Instead of sharing our prayer this week, we wanted to share our final blessing from the leavers service:

*May the road rise up to meet you,
May the wind be always at your back.
May the sun shine warm upon your face,
The rain fall soft upon your fields.
And until we meet again,
May God hold you in the palm of his hand.*

*And now may the blessing of God Almighty,
The Father, the Son, and the Holy Spirit
Be with you this day and on the next steps of
your journey.*

Amen

Have a
**Wonderful
Summer Holiday!**

Wishing all the **families and staff**
of All Saints' a happy, safe
and relaxing summer break.

In particular, we would like to wish our
Year 6 children
the very best of luck on their onward journey.

*The school won't be the same
without you!*

We are so proud of you all!

This week the government has been considering an overnight social media curfew to protect older teenagers from late night scrolling and social media addiction. Government research suggests that this would drastically improve sleep, attention span, and family communication. Primary school children are facing a broader ban next year. It is important to remember that young brains are still developing. From the age of 10, children's brains shift towards seeking social rewards and approval from peers. Social media platforms provide opportunities for interactions and are now a normal part of life. However, they are increasingly linked to mental health problems, including anxiety, depression and body image concerns.

Over the summer holidays, trying some of the recommendations that are being considered and setting some boundaries around screen time, could provide benefits to mental health for children and adults alike. By controlling your digital environment, you can lower anxiety and reclaim your time and energy for real-life connections and personal well-being. You could try removing devices from bedrooms, using curfew apps which automatically lock apps after a certain time or setting a family curfew where everyone puts their phones and devices away for the evening. I know how easy it is to drift into mindless scrolling, by setting a limit, some of this time could be spent on reading books, watching a movie, playing games, or relaxing self-care activities instead.
