Girls Football Matches

Our Girls Football Team have been in action the last two weeks, kicking off the beginning of the football season with matches against Christchurch School and Foulds School.

We have been so proud to watch our girls football team in action, and watch their team work, determination and sportsmanship. The season started with a 3-3 draw against Foulds, an amazing score against a tough team. This week's match against Chirstchurch ended in a loss, but our team stayed strong and fought hard. Well done team All Saints'!

Individual and Sibling Photos

Our school photographer will be in on Thursday 8th October to take individual and sibling photos. Please make sure your child is in full school uniform and looking smart for the photos. If your child normally has PE on a Thursday, please send them in school uniform with their PE kit in a bag for this week only. Please note this is a change of date from the previously advertised date.

YOUNGMINDS

Hello Yellow

World Mental Health Day

Next Friday 9th October, we are recognising World Mental Health Day at school. All children should wear something yellow with their uniform to school and bring £1 donation. We will be talking at school about the importance of keeping our minds healthy, and ways in which we can do this.

All Saints' Church Ceilidh

This Saturday evening, 3rd Oct, All Saints' Church are hosting a Ceilidh! A Ceilidh is a traditional scottish dance with a caller who shouts out the actions. It's lively, fast and fun!

Tickets will be available on the door. Doors open at 6:30pm and the band starts at 6:45pm. There'll be a bar and food, and lots and lots of dancing. All the proceeds go to the Church fundraising. They would love to see our All Saints' families there!

In School this week...

School Council meet with ISS Catering...

This week, our school council met with Catalina from our ISS catering team to discuss our new menu. The school council loved getting involved and giving their input, discussing what they like about the current menu and what they'd like to change.

There was lots of discussion on favourite desserts and the best days to serve jacket potatoes and pasta! Catalina has taken all the feedback away to help with the development of our new menu. We look forward to tasting it soon!

A Superhero Morning...

This week, our children from Nursery up to Year 2, enjoyed a visit from Perform Drama who led the classes in a workshop with the theme Superheroes! The session was filled with drama, movement and story telling, as the children retold the story of Supa Dupa, a hero on a mission to save the planet from pollution and waste! If your child loved the session, Perform Drama run local weekly classes. More information [here](#).

Weekly Worship

In Class Worship this week...

...children have been learning about the Bayeux Tapestry. The Bayeux Tapestry is a very special work of art that is nearly 1,000 years old. Pictures sewn onto cloth using colourful thread tell the story of the Norman Conquest of England. We then talked about the importance of stories:

- What can stories tell us about people and their lives?
- Why might someone choose to share their story?
- What different ways can people share their stories?

Jesus often used stories, such as the Parable of the Sower, to teach people important ideas. These stories, called parables, used familiar people, places and situations to make his message easier to understand and remember.

“Then the disciples came to Jesus and asked him, “Why do you use parables when you talk to the people?” Jesus answered, “The knowledge about the secrets of the Kingdom of heaven has been given to you, but not to them.”

Genesis: 6-19

Our Prayer for this Week

Dear God,
Thank You for the stories we share.
Help us to have the courage to share our own stories
and the kindness to listen to the stories of others.
Guide us to learn from one another
and remember that every story matters.
Amen.

A few words from Terapia...

Squishy toys are currently a huge craze, largely driven by social media such as Tik Tok and Instagram. There are concerns regarding potential dangers of viral trends in which the squishy is heated in the microwave, and the sale of less safe counterfeit products.

Whilst safety can be a concern, and the huge presence on social media is driving the craze, these toys do provide sensory benefits to children.

The rhythmic action of pressing and releasing the toy, with its slow-rising response, lowers arousal and stress responses. Receptors in the skin send signals to the brain activating the parasympathetic nervous system, slowing the heart rate and steadying breathing.

These toys also provide a productive outlet when internal feelings are overwhelming, helping to release tension and a satisfactory relief from impulses to fidget.
